## FRAMLINGHAM TOWN FOOTBALL CLUB HISTORY

Founded in 1887, our Club's first ground was Dickson's Meadow, followed by Brunning's Meadow, both being part of the Framlingham College complex. The Club next moved to The Red House Farm, before setting up at Hayning's Meadow, now known as The Pageant Field, in 1932. Then in 1951, the Club became a member section of the newly-formed Framlingham Sports Club, and has had its ground here ever since.

In its 133 years of football, Framlingham has played in various Leagues, the Ipswich & District, then the Framlingham League, in its early years, next it was the Woodbridge League, with progress into the Leiston League at the finish of WWII until 1966, at which time the Club gained admission into the Ipswich & District Premier (now SIL Senior) Division, having now competed in the SIL for the last fifty years. We have been in the Thurlow Nunn for the last four seasons, gaining promotion 2 years ago, to the Premier Division, our highest ever achievement within the club, but relegated back to Division 1 for 2019-20 season.

There has over this length of time been many ups and downs in the form of promotion and relegation, even a dip into Division 2, but Senior status was regained in 1989, and there followed some very successful years as Framlingham won the McNeil Cup in 1990, were SIL Senior runners-up in 1991, and achieved the League Title/McNeil Cup double in 1992. We reached the SCFA Senior Cup Final in 1996, and were again League runners-up the following year.

The Club's fortunes have been varied since then, but following three relegations and subsequent promotions, Framlingham regained Senior status once more, four years ago, and after a very satisfactory season were accepted into the Thurlow Nunn League in 2016/17.

The success of any Club is dependent on the hard endeavours of its committee and supporters, and the standard of the facilities and grounds at Framlingham are a tribute to the activities of its members both past and present, who have built a strong and stable Club throughout those many years, and we look forward with confidence to the future as we commence life facing the challenges ahead in this new season, in Division 1, of the Thurlow Nunn League, following a 5 month break with the Coronavirus issues.

Some of our older committee members, known and respected by many in the Suffolk footballing fraternity, namely Mr Bryan Parker & Mr & Mrs Sydney Vice, have retired from their club duties, Sydney was awarded the Long Service Meritorious Award in 1991, Secretary Fiona Whatling was awarded hers in 1998 and Mr Bryan Parker was awarded his in 2016 and Bryan relinquished his position of Club President since 1994 last year and we welcomed our new President, Mr Iain Smith, to the club.

August 2020

**Ben Vincent**- Vinnie - New signing for this season, lots of experience playing this and higher level previously. Great communicator. Can pull off the purple kit

**Gary Rose**-Sharky - Highly respected goal keeper. Unbelievable distribution and was instrumental in Town gaining back to back promotion. Very popular character in the changing rooms.

**Edyn Cummings**-Ede - Goalkeeper signed from Whitton United. Great shot stopper and all round nice guy

**Jake Seaber**-Seabs - Versatile but does well in all positions played. Local lad racking up first team appearance, loves the physio room

**Kit McCausland**-Macca - young full back that can play either side, good at going forward. Practicing his throw ins between matches

**Stefan Mallett**-Magic Mallett - Can play several positions. Plenty of experience without the age, loves a chat with anyone, including the ref!

**James Carragher**-Carra - New addition for this season, previously at Needham and Ipswich as a youngster, good warrior

**James Mayhew**-Jim - Centre half who has achieved 300+ games for the club, some achievement. Well respected amongst the players, what he says in the pre-match rondo goes

**Cyrus Thorpe**-Cy - Broke into the first team aged 16, after coming through the youth set up. Strong defender and very comfortable on the ball. So chilled out, you can find him in the fridge aisle.

**Cion Wren**-Ci - Left back/left midfielder, signed half way through last year, previously at Lowestoft Town. Good on the ball and a good talker

**Simon Poacher**-Poach - Mr. Framlingham. Vice-captain and long serving club man, joined the club at a young age. Spent last season on the sidelines but back to make amends and add to his impressive appearance tally for the club

**Chris Hunt**-Northern Rock - Hard tackling 6ft 4 midfielder. Been away from the club for a couple of years but welcomed back with open arms. Fans favourite in his last spell

**Joe Berry**-Bez - Goal scoring centre mid/centre back. Spends his and all of his mates money on fines and often found cutting Fiona's socks

**Josh Tysoe**-Tys - Talented baller. Played at the club through the youth system but spent the last two years with Sudbury academy. Very clever player with a great touch

**Dan Smith**-Smitty - Young midfielder, ex Needham and Histon academy but before that a Fram youth player. Good eye for a pass and likes to play from deep

**George Exworth**-Duracell - tireless midfielder who never stops running, covers his and everyone else's position. Good on the ball, and loves a clever yellow (each week)

**Isaac Robinson**-Ike - not only a talented musician but also talented midfielder. Toward the top end of our age scale, his experience is welcomed. Has a great influence on others around him when he plays

**Charlie Coe**-Chaz - tiktok specialist. Hard working midfielder, broke into the first team last season and performed weekly. Consistent player who adds a lot to the midfield

**Jonathan Fryatt**-Jono - when not solving mysteries Jono is a hard working striker who leads the line and presses well from the front. Had an impressive first full season at the club last year

**Jack Lawrence**-Northerner - Winger who likes to play both flanks. Played at a good level up north before flying down

**(Danny) Smith**-Smitho - The talisman. Scored 100 first team goals by the age of 20! Played for the youth teams. Changing room DJ.

**Kieran Driver**-Driver - Midfielder who knows where the net is. Joined the club in the summer having played previously for Whitton, Halstead and Debenham.

**Alexander Ling**-Pingu - Midfielder that can ping the ball as well as anybody. Bundles of talent and king of Instagram

**Ethan Whittingstall**-Ethe - exciting young winger who spent some time with Ipswich Academy around playing for the youth teams. Still an u18's but showing if you're good enough you're old enough. Set for an exciting season

To increase attendances at our grounds, the Thurlow Nunn League, in conjunction with its clubs and sponsors, Thurlow Nunn, is promoting the need to turn matches into a more family-orientated entertainment in a family-friendly environment. The League understands that football is a game of intensity and passion. In the heat of the moment, frustrations grow, tempers can be lost and there is an urgent need for players and club management to share their feelings with others. The League also understands that, in that moment, language may be used that others may not feel is appropriate in a family setting.

Nothing will send parents and/or grandparents heading quickly for the exits with their youngsters, never to return, than a constant stream of foul language. All we ask is that you encourage players and management to "Keep it down for the Kids".

To assist match officials identify those within the technical areas, the League has provided florescent bibs to all clubs competing in the Premier and Division One of the League. These should be used for all competitions by these clubs.

Thank you
